Plan your designs

- Think about the game and rules: do you want something like Snap? Uno? Just matching cards?
- There are 52 cards: 4 sets of 13. You can also do 4 sets of 10 with 12 “special” cards
- What theme and colours do you want to go for?
- Sketch out your ideas on a piece of paper

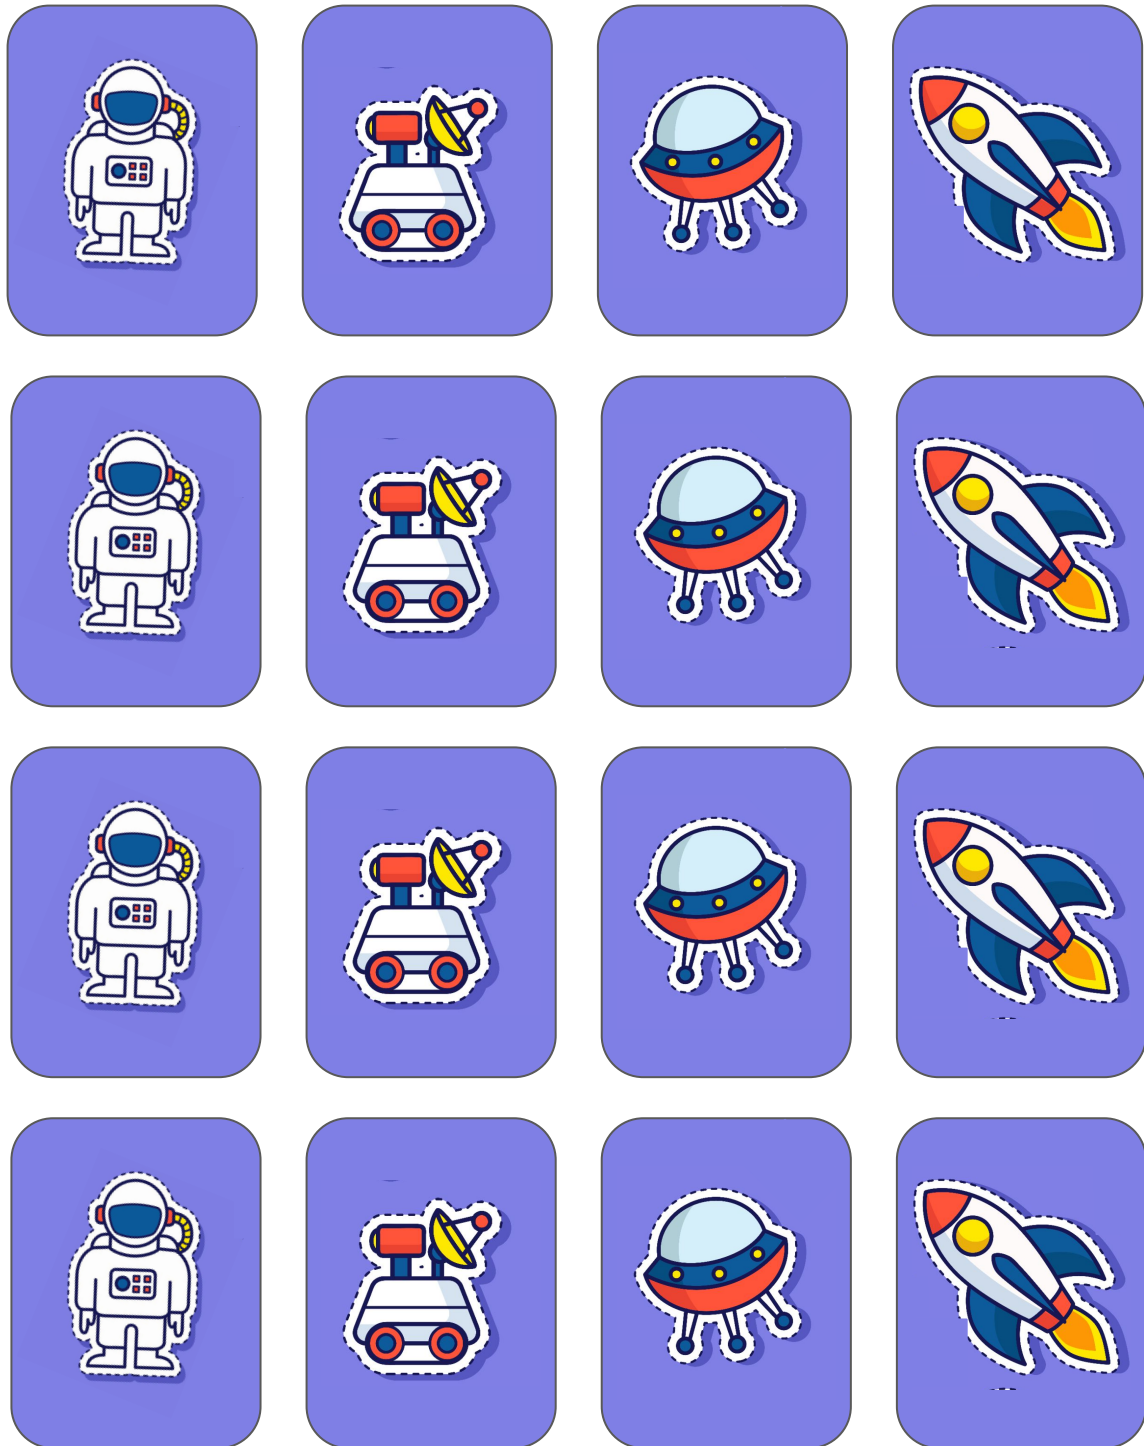

Templates included in this pack:

- Matching and sorting
- Counting
- Memory

Here are some more ideas: [10 kid-friendly card games](#)

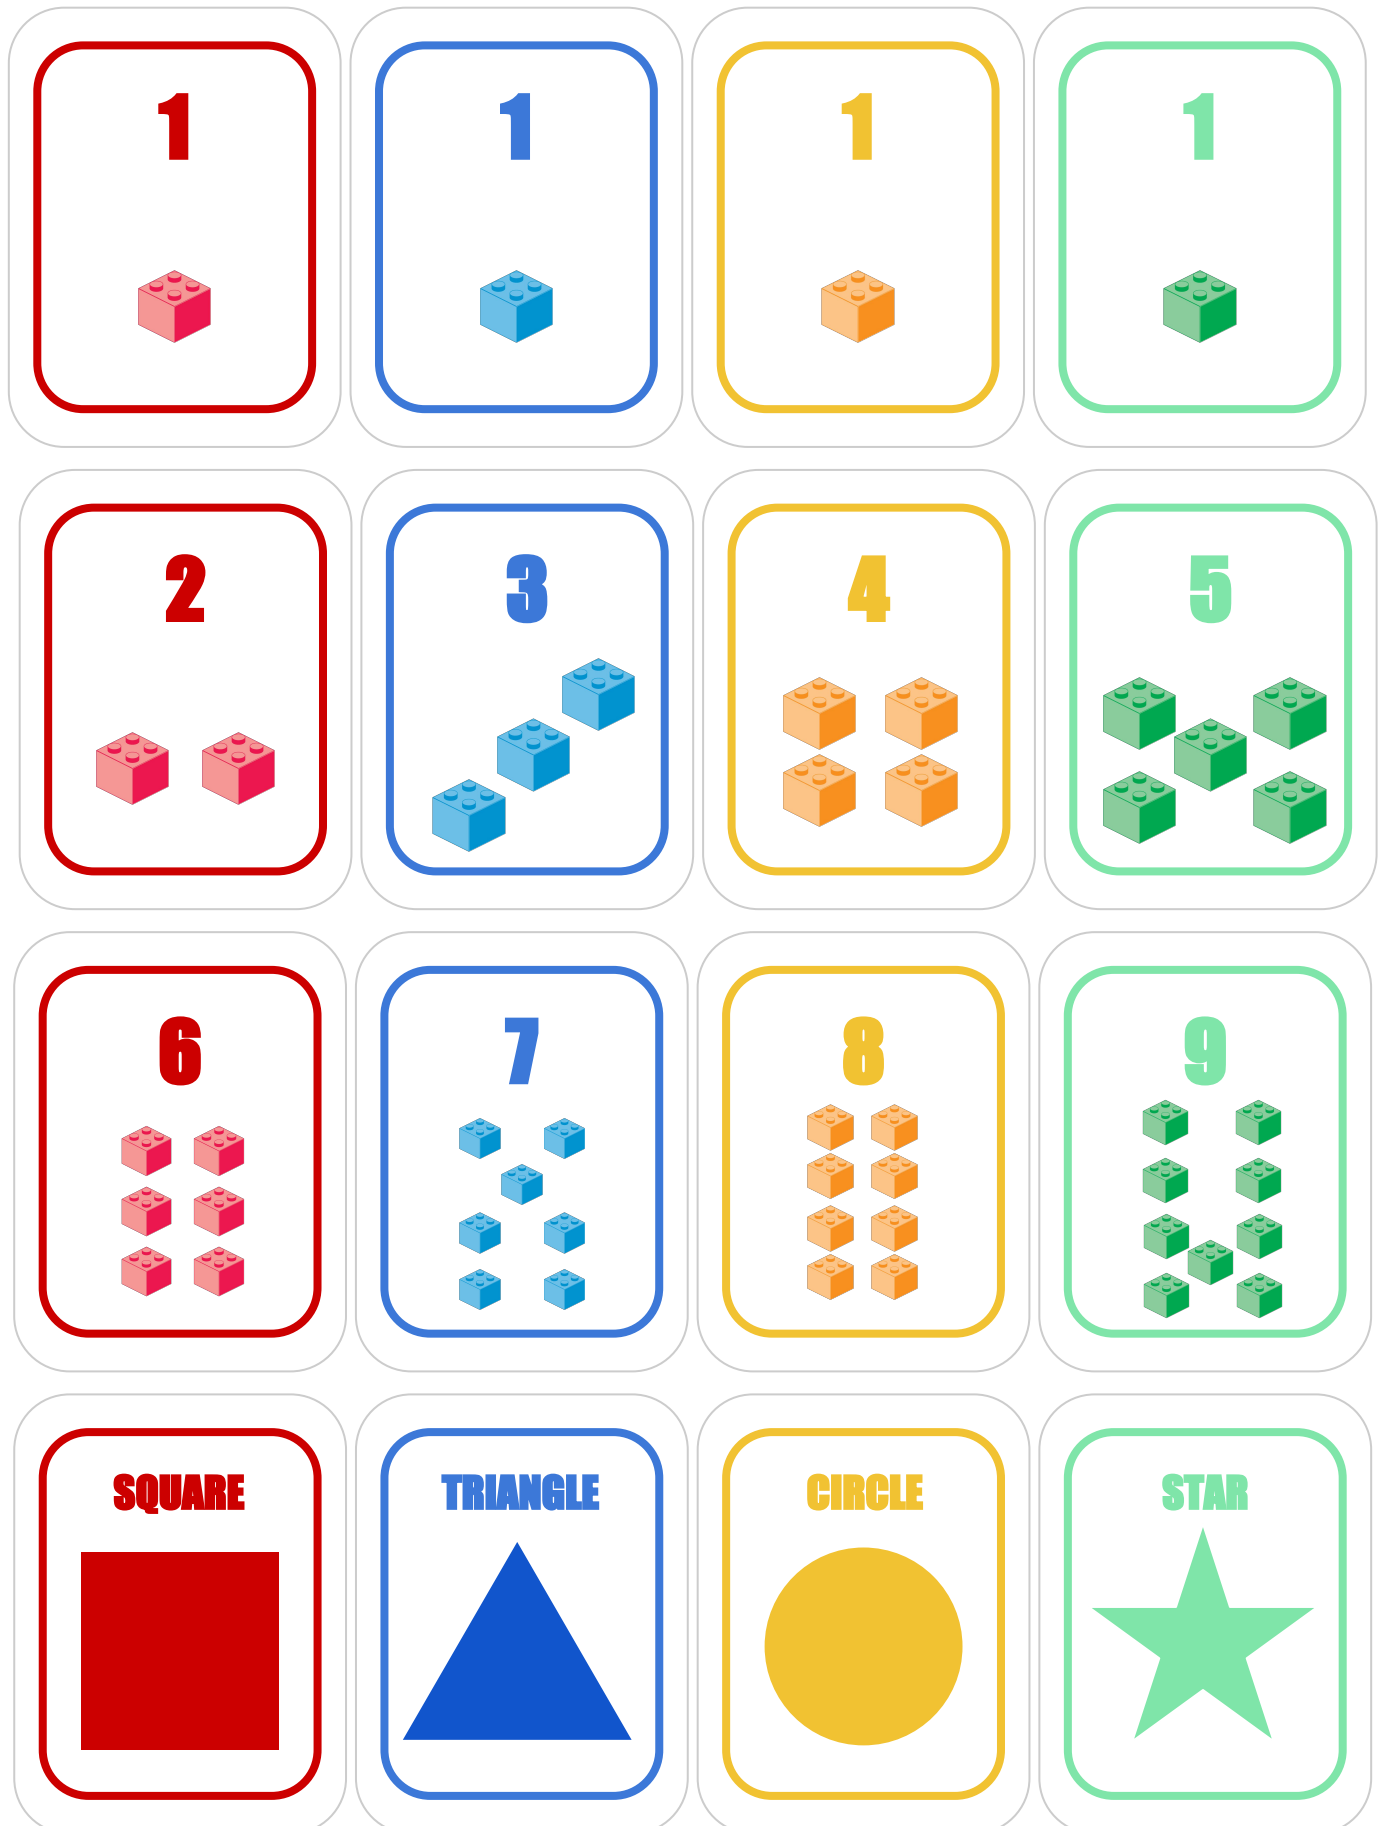

Space snap

Make 4 of each design for a very simple Snap game

Counting and shapes

Make 4 sets of each number from 1 - 10 (with different background colours if you want), and 12 individual shape cards

Colour or character matching

Make 13 sets (one of each background colour)
